My Dear Friends.

It has been such a long long time since we have heard from you. that the spirit moved me to write you. I do not believe we have written you since ~~we moved to this place in May.~~ we lived here once before we left here in 1900. went to Pond Creek & I think you people remember that "Old Town" we are here by our own two selves. The Loggatts in Salina the Todds in H.C. and Frank in the Army. I suppose you people are interested in this little note to it notes.

heavy hearts in nearly every home. we
have three nephews in it to, one in the
Army. Frank is in command of the Supply Co
in 353 Inf. he does not know how soon
they will go to France. we are all in our
usual health. we are in Selina most often
but not very often in H. C. tho, they have
another boy there. Three month old. They
call him Paul. Hills. Three boys and one
dear little girl, Ruth. Daniel & Robert are both
going to school. Daniel is a little student.
Margaret says Bob. is the Clown. they never
know what he will do. he says that he can
"just lick all the kids." we often think of
you people over there. and how the war
affects you. and if you are all in good
health. has the war affected your work over
there. - This Church in this town has just
installed a new minister from Broadway
Church Rock Island Ills. we like him so
for very much. and we hope that all the
rest will also. This is a hard church to
keep a minister for some reason or other
it is known of in the Presbyteries in that
way. it is nearly Xmas time. and we have
not had any very cold weather yet. and the
fall has been very dry. no moisture to speak
of. The Quails are still in Topeka. I get a letter

quite often from Mrs G. They are well
 as usual. Blanche is about as she
 always. Every body is busy with Red
 Cross work. Cannot get the work
 off fast enough. Write soon and
 tell us about yourselves and your
 work. I assure your little family we
 keep you busy. it seems a good deal
 for one pair of hands doesn't it.
 but how soon they grow up and are
 gone from the home. we are send-
 ing a little Kansas money to our
 children here. so we send to our
 children in P. R. and we wish
 you Merry Xmas and a happy and
 prosperous New Year. with
 love to one and all from
 your friends. The Hills.
