Dear Mr. Harris:

Unless the unexpected happens, Mrs. Mitchell and myself will go across by rail next Tuesday (the 25th). The train, I think reaches San German about three. If you can put us up over night we should expect to return to San Juan by the highway premium train. We have crossed the island several times by automobile and are glad to have this opportunity to make the half circuit by rail. May consider us most amenable guests.

Please let me know if this proposition meets your convenience, as herein are,

Very sincerely yours,

Rev. J. W. Harris,
San German, P.R.

E. P. Mitchell
