Our Dear Spiritual Children,
Faculty and Friends:

I am taking this means of thanking you one and all, for your prayers, sympathy and love, expressed by so many of you in cables, letters and cards. I only wish Mother could come back just long enough to read them over with me. She, as much as I, loved every one of you with her whole heart. Thank you and Thank you.

I shall now try to edit and print her book, "The Steps", my own book also and to give birth to Pan American Clinic I hope— then to go where she is, where we will be praying for all our children— some 4,000 of you.

God bless and keep you.

I love you,

J. Will Harris
