San Juan junio 19-1923

Dr J.W. Harris,
San German P.R.

I regret more than I can express my inability to attend your commencement exercise tonight. The doctor thinks it would be unwise for me to go. Please give the graduates my best wishes, which, I indeed, I desire to express for the faculty and for all the students of the Institute which is making such a fine record in its educational work.

H.M. Towner,
Governor.
