PROPOSED SOUTHWEST TEXAS CLINIC

is the name, and fittingly so, of the medical centre for Texas and Mexico, to be located at Dilley, Texas

This picture illustrates what we did for our livestock even our dog, in the eradication, cure and prevention of diseases.

What the ranchmen did for their livestock and dog, can and will be done for the fathers, mothers and children, by SOUTHWEST TEXAS CLINIC at Dilley, Texas, as the Health Corral for inspection, cure and prevention of human diseases, centrally located and on a non-profit basis.
