My dear Mrs Harris:

I have  
been saving a little  
bit - which I hope  
will be welcome -

hoping that I might  
have the pleasure of  
presenting it to you  
personally - but I find  
that at the last - I  
cannot spare the time.

and that there long list  
diners with their necessary  
times & times for me  
a dizzy headache - I  
am sorry not to see you  
and the program that has  
been made during the year -  
but our Briton will tell me  
about it - Cordially yours  
Elizabeth G. Britton
