Dear Folks:-

Last night at 11 o'clock Eunice called me and said there would soon be a "show". I went down and watered old Henry F., got Eunice and made it to Mayaguez Hospital, 12 miles away in 25 minutes. At 2 A.M. young Mr. Harris arrived safe, sound, hearty and hungry. He and his mother are both doing splendidly. Children are wild with joy. He sends greetings and wishes it announced that he is against "war preparedness"

With best wishes to all,
