Mr J. W. Harris.  
President of the Polytechnic  
Institute of Porto Rico.

Dear Sir:

Enclosed you will find a copy of the recent letter of application to the Ford Polytechnic Schools of Detroit; but as you can easily discover that the procedure was absolutely erroneous, and has been rectified by a laconic reply, advising me to submit to your good judgement said application.

It is unnecessary to go into details as the afore-said application is a faithful reproduction of my desires.

I therefore refer the same to you with the assurance that it will be given due consideration.

Thanking you in advance for any recommendation to the Head Office wherein my son will be favored.

I remain yours for a speedy reply.

Sincerely,

*Jm Terra*
