Dr. J. Will Harris
Dilley, Texas

Dear Dr. Harris:

Would you be so kind as to fill out the enclosed blank for Miss Wall. I have referred this to Mr. Loker and Mrs. Gregory and can not get any definite information from them about her. We are not able to find any record which lease her as teaching in those early years.

Thank you and Mrs. Harris for your recent letters which we always find stimulating and encouraging. As our time of departure draws near it becomes increasingly difficult for us. We hope and pray that a more efficient leadership will be found for this institution.

Yours sincerely,

President
