for the school year of 1913-1914 and she continued to teach
at a salary of \$65.00 monthly till she was employed as
teacher of English in the Mayaguez Public Schools in .
She was a capable teacher in and out of the classroom.

Respectfully signed

J. Will Harris , President at the time.

Dear Dr. Seal;
Your letter came just as I
left for New York. I have just found
it was in the pile of letters waiting
my attention, I beg your pardon for
the delay. I suppose Jean wants
the certificate badly so I sent the
original to her.

At any time I can be of
further help with old students and
teachers, please call on me.

Sincerely
J. Will Harris
