President E.G. Seel D.D.

Polytechnic Institute.

Dear Dr Seel:

Your letter of the 12th inst., just arrived. We accept your changed hour of leaving San Antonio. We shall leave on February 25th at 1:15 to Houston, New Orleans, Miami and S.J. just as you suggested.

Telegraph office in Dilley is closed at 5. P.M. daily and has no service on Sundays. I shall try to get a table off to you from some other station during Sunday which I hope you will get early Monday morning. Thank you very much for your suggested change of flights via Miami. We appreciate your interest and consideration of our comfort en route. We anticipate your kindness of our tickets and most of all the spirit evident of our mutual longing to be back home with you all once again.

I shall cable you, I hope,

Accept your plan leaving San Antonio 1:15 PM.  
Feb 25th.

Most cordially and gratefully yours

*John and Mrs. J. Will Harris*
