Mrs Lydia L. de Gregorio, Secy of Alumni.  
San German, Puerto Rico.

My dear Lydia:

enclosed is check no 62, which is to be applied to the Alumni fund being raised for Poly, as a small gesture of my interest in both the Alumni Association and also in Poly-Technic.

I hope every graduate and ex student will give liberally toward building up our college. Now is the time to help liberally.

Our children and 5 grand children were home during the vacation and it was good to see them. I miss my children in P. Rico and hope they will soon be over so as I may

return and visit you all. I get  
as lonely as me for a night of you.  
Am rejoiced to note Poly's progress  
and hope you can find good  
teachers and men who will  
consider it a life work, not  
a vacation.

My love to Laura and Jewel  
and to all the Abneri.

Cordially yours,

Orrell Harris
