My dear President Bauer:

My younger daughter Margaret and I are scheduled to plane Feb 28<sup>th</sup> from Santos and to arrive in San Juan at 1:30 P.M. on the 29<sup>th</sup>. We hope to go on over to Poly that same afternoon, if possible, so as to be in Poly for the kickoff on March 1<sup>st</sup>.

I am going to take a survey of the land of P.P.R. and the electric wiring plans of Loma Vista which may be of great value to you. Please do not feel that you have to entertain me. I do want to be of service and encouragement to you in the beginning of your wonderful plans for development of Poly into a real university - a real dynamic Christian and scholastic institution as leader of all Latin America. You can do it, under God.

We return on March 12<sup>th</sup> - if necessary. I would like to stay weeks - visiting old students and renewing the ties of love and deepest affection, but have to be back here for the annual meeting of the Federal Land Bank's Winter Land National Farm Loan Association - where I again take over as President for 2<sup>nd</sup> time.

With all good wishes also to Ethel.

Cordially yours +  
John W. Harris
