Rev. J. Will Harris,
Polytechnic Institute of Puerto Rico,
San German, Puerto Rico.

My dear Will:

We appreciate very much your kind invitation to attend the 25th anniversary of the Institute on March 2nd next, and you can depend upon it we would be present if it were at all feasible.

We often think of the wonderful work you have done, and what a tremendous satisfaction you and Mrs. Harris must get as you look back over the results.

Remember us kindly to all the family, and if any of them get into this neighborhood, be sure to have them call.

Sincerely yours,

Robert J. Sterrett
