Dr. J. Will Harris, President  
Polytechnic Institute,  
San Germán, P. R.

Dear Dr. Harris:

I take pleasure in acknowledging receipt of your letter of April 4 announcing twenty tuition scholarships at the Polytechnic Institute for the children of public school teachers for the school year 1933-34. I am conveying the information to the Superintendents of Schools and High School Principals asking them to transmit it to all interested persons.

I think it is splendid of you to offer this assistance to the sons and daughters of our teachers whose salaries are so meagre. I am sure that they will appreciate the generosity of the Polytechnic Institute and praise once more the efforts you are making to assist in the education of our people.

Very cordially yours,

*Jose Tadeo*  
Commissioner of Education.
