(Passengers arriving on
or about February 5),
San Juan, Puerto Rico.

Dear Dr. and Mrs. Harris:

The members of the faculty greet you cordially upon your return to Puerto Rico. We sincerely hope that your visit may be a happy one for you. We believe that your presence will cement more closely the Alumni to their Alma Mater.

We expect to do all we can to make your stay among us pleasant. Among other activities it is planned to have you and Mrs. Harris as guests at a banquet to be given by the faculty in your honor at Costello Hall, Monday evening February 12. I have the honor in the name of the faculty of extending to you both an invitation to this event.

I am sending a copy of this letter to Dr. José N. Rodríguez in order that he may make a place in the general program for this banquet.

Yours sincerely,

Nathan H. Huffman
Dean
