My dear Dr. Harris:

I have been embarrassed and most thoroughly disappointed to find that it is going to be impossible for me to come over to San German during the anniversary ceremonies and the commemoration and inaugural services, etc.

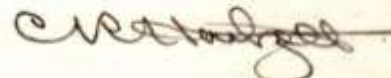

As soon as I arrived last week I endeavored to arrange matters so that I could get away for at least one day during that time but have found three or four emergency questions awaiting me which simply must be worked out during the next week. I would give a very great deal to be able to come over, but I am delighted to learn that both Jim Beverley and Fred Krug are planning to be there, thereby giving you some real Trustees instead of a poor imitation.

I do hope that I will be seeing you soon in any event.

I would also appreciate it if you could convey my regrets in the matter of an invitation from the alumnae for the reception on Saturday evening, as I do not know to whom I should write in this connection.

With best regards.

Very sincerely,
