PRESIDENT'S ROOM

February 23, 1937

Dr. J. Will Harris
President, Polytechnic Institute of Puerto Rico
San German
Puerto Rico

My dear Dr. Harris

There was no opportunity because
of our crowded hours while at Puerto Rico, to answer
your kind letter of February 8.

Unhappily, it was quite impossible
for me to visit the Polytechnic Institute. We were
overwhelmed with interesting and important engagements
that had previously been made for us.

With best wishes for your work, I am

Very truly yours,

Richard Henry Carter
