

PARK COLLEGE
PARKVILLE, MO.

June 14, 1920.

OFFICE OF THE PRESIDENT

Rev. J. W. Harris, LL. D.,
Polytechnic Institute,
San German, P. R.

Dear Dr. Harris:

I am glad to notify you that the Trustees at their meeting last week conferred the degree LL. D., degree Doctor of Laws, upon you in appreciation of the splendid work you have accomplished since leaving College and especially this last year in the development of your great school. We gladly honored ourselves in so doing. We were very sorry you could not be present but formal announcement was made of the honor.

We conferred the degree D. D. upon Fred Tower. We had a great Commencement time with splendid spirit and lots of "go" in all the exercises. We are starting the new year with big plans ahead.

With all good wishes,

Cordially yours,

FWH:EH
