The Rev. Mr. Diego Rico Soltero
Iglesia Presbiteriana Central
Mayaguez, Puerto Rico

Dear Mr. Rico Soltero:

I am sorry that there has been so much delay in my expressing our appreciation for your splendid participation in the Harris Memorial Program. However, January is an extremely busy month and there have been numerous visitors from Puerto Rico and the States. Numerous people have told me that the service for Dr. and Mrs. Harris was most solemn and impressive. It is rewarding to know that so many people feel this way. Dr. and Mrs. Harris deserve all honor that we can give them and I am gratified that so many were present to express homage to them and to remember their good lives. They have made an enduring contribution to the Christian cause in Puerto Rico. I wish to express my very great appreciation for your participation in and your splendid contribution to the service for Dr. and Mrs. Harris.

Sincerely yours,

Ronald C. Bauer,
President
