Mr. Edwin Hernández Pérez
Campus

Dear Edwin:

I am sorry that there has been some delay in writing you concerning my very great appreciation for the part you played in the Harris Memorial Program. We all felt that the symbolism of having the first student and the last student in this ceremony was most significant. Numerous people have commented to me about how solemn and impressive the program was. Certainly, numerous people from all over Puerto Rico came to remember the Harrises and to pay them homage. You made a fine contribution to the memorial program.

Sincerely,

Ronald C. Bauer,
President
