

Let's get down nearer home.  
The Ch. has near and is  
not now carrying out the  
whole program of ~~the~~ Jesus  
Christ for His Kingdom.

We have hospitals, asylums,  
and Parks for the physical <sup>needs of</sup> man,  
Schools & Colleges for the  
intellectual ~~man~~ needs  
of man.

Churches for the spiritual  
needs of man. But we  
have yet to accept the  
program of it in its  
entirety. We need and  
must include the  
supply of social & economic  
needs of man and do  
it - soon or the church  
will find itself.

A new mission awaits  
the church.
