MILLBROOK
NEW YORK

March 31st.

Dear Dr. and Mrs. Harris,

Yesterday your box of beautiful Texas blue bannets arrived and since Mother is still in Scotland I opened it. They stayed perfectly fresh during their long trip and look so lovely in my room. I know that Mother will be very sorry she missed them because

she always looks forward to their arrival every year.

It was only two years ago that we had such fun with you on our too brief but lovely visit to Texas and I hope that in the near future we will see you both again.

With many thanks and warmest appreciation of your kind thought.

I am

Affectionately Yours
Barbara.
